IN THE CLAIMS

Amend the claims as follows:

1. (Amended)   A [The] device for transmitting a natural information supply to a biological object comprising a source of biofield and means for housing said source and object characterized in that said device comprises a chamber assembly having a housing (1) having opposite sides and two antenna systems each of which has a reflector (6, 8) and a microwave lens (7, 9) mounted coaxially therewith [with it], the first antenna system being secured to one side of said housing (1) forming a compartment (2) for reception of an information supply from a source (3) of biofield while the second antenna system is secured to the opposite side of said housing (1) forming a compartment (4) for exerting influence on a biological object, the means for housing a biofield source and a biological object [are] being located in [the zone of focuses] respective focus zones of the respective antenna systems, and [near the last means from the side opposite to the antenna system is mounted] a group of microwave lenses (30) disposed adjacent to the biological object and between the first antenna system and said biological object.

Claim 2,   line 2, after "that" delete "a" and insert -- said --

line 3, delete "end sides" and insert -- ends --

Claim 3,   line 2, after "that" delete "a" and insert -- said --

4, (Amended)   The device according to claim 1, characterized in that [a] <u>said</u> housing (1) is designed in such a way as to form, together with the antenna systems secured to its opposite sides, a chamber [the section of which has a] <u>having a cross-section in the</u> form of an ellipse.

Claim 5,   line 2, after "that" insert -- the --

line 3, after "in" delete "a" and insert -- said --

line 4, delete "the" and insert -- a --

Claim 6,   line 2, delete "is supplemented with" and insert -- includes --

line 4, delete "a" and insert -- the --

line 5, delete "the"

line 6, after "of" insert -- the --

line 7, delete "its"

Claim 7,   line 2, delete "a" and insert -- the --

line 2, delete "are used" and insert -- comprises --

line 3, delete "with the period from" and insert -- of --

line 3, after "weeks" insert -- old --

Claim 8,   line 2, delete "a" and insert -- the --

line 2, delete "are used" and insert -- comprises --

line 3, after "to" delete "the"
